CITY OF FALLS CHURCH

INTEROFFICE MEMORANDUM

DATE: 08/06/2009

TO: Chief

FROM: Sgt. Carter

SUBJECT: Graffiti

Chief,

I've completed my investigation on businesses and residents that have been vandalized with Graffiti from August 1, 2008 through August 6, 2009.

In total, there were 164 police reports taken. All, for the exception of 11, have been removed by businesses, homeowner, public works, or the police.

I was advised by Cpl. Ankney, that the City has an agreement with Dominion Power to remove Graffiti from any electrical boxes that have been vandalized. This, along with the cooperation from Public Works has made a big difference in the time frame for clean-up. All the businesses and residents are advised by officer's to remove graffiti. Those remaining which have not complied are:

Burger King (Date reported) 8/9/2008
Case design (Date reported) 8/9/2008

Respectfully submitted,
