

Community Energy Action Plan Town Hall Environmental Sustainability Council/Energy Transition Subcommittee

April 20th, 2023 ❖ 7:00pm to 9:00pm

Meridian High School, 121 Mustang Alley, Falls Church, VA 22043

This is a flexible open house style event, come anytime to learn about the City's current climate change initiatives and provide your input!

City staff are committed to supporting residents and businesses to transition to climate-friendly practices and want your help to create a greener, healthier community. We are kicking off the creation of a Community Energy Action Plan centered around YOUR green goals, resource needs, and vision for our city's future.

Why Attend?

- Celebrate Earth Day by taking action!
- Engage in activities to learn about climate change and what the City is already doing.
- Let the City know what priorities and challenges our community needs to address to become more climate friendly.
- Connect with other passionate community members and City leaders who are working together on climate action NOW!
