

Neighborhood Traffic Calming Program Status

May, 2018

Funding: \$200,000 in FY 2019 (begins July 1, 2018)

\$632,000 in FY2020 (Grant funding available July 1, 2019)

Program Activity in the Next Year:

- Complete planning for Great Falls/Little Falls Street project
- Select W. Annandale Road/Gundry Drive as a current project. Complete light solutions that were not implemented last fall because of colder weather.
- Collect data for N West and Lincoln Ave and conduct project evaluation of light solutions.
- Conduct "After Action" evaluations of Parker-Kent, Pennsylvania Ave and N Maple Ave heavy solutions projects.
- Work with the CACT to review NTC planning process and recommend improvements to the process
- Review list of NTC cases every 6 months and remove requests more than a year old where the petitions of interest have not been returned. Staff would contact requestors.
- Continue to work with DPW on reducing engineering costs by performing more work in-house where feasible.
- Process new requests.

4. What and how many Traffic Calming cases are awaiting to be selected?

- **Neighborhood Traffic Calming Projects and Status on May 1, 2018**
