NOTE: This list includes all Tree Contractors that have met the City's requirements for bonding and insurance. The City does not evaluate the quality of private tree work, and does not recommend any particular tree care companies. The City Arborist does retain a file of any complaints that have been received about contractors, which are available for review.

The Department of Public Works sends out renewal packets each May. All tree contractors who wish to do business with customers in the City of Falls Church are required to submit an application with a \$25 fee, a \$1,000 bond, and proof of worker's compensation and liability insurance. If your company does not appear on this list of currently-approved Tree Contractors, write for information: dpw@fallschurchva.gov.
