Community Involvement

The City of Falls Church is home to many community and non-profit organizations that complement the City's services and enrich the lives of both individuals and businesses. These organizations are involved with the City's unique and long history, arts, culture and entertainment, human and social services, education and civic endeavors. The City also has regular "First Friday" events (<http://www.firstfridayoffallschurch.com>), a designated "Arts and Cultural District," and its own Falls Church Arts Center that has both live performances at Creative Cauldron and regular art exhibits. In addition, the City hosts a number of very special events every year including Watch Night on New Year's Eve, an Easter Egg Hunt, Civil War Day, a Memorial Day Parade, Fourth of July festivities, Sunset Cinemas in the Park during the summer, a Fall Festival and Taste of Falls Church Day, a Halloween Carnival, and even a Holiday Craft Show.

"When Tax Analysts decided to consolidate its operations, we knew we wanted to stay in Falls Church. It was a wise decision. We picked the perfect developer and Falls Church City staff helped us secure an industrial revenue bond. We are very pleased with our new building and its proximity to dining, shopping and service providers and in being a member of the Falls Church community."

Christopher Bergin, President
Tax Analysts
