### 3) City Council Liaison Report

- a) Councilman Snyder presented on the reorganization of the City Manager’s office and discussions around Metro ridership.
- b) Vice Chair Andrew Olesen requested City Staff to consider the applicability of the Bike Master Plan with every new project in the City with the option for public feedback.

### 4) Public Comment

- i) Pat Conley commented on advocacy for improvements of pedestrian safety and bike facilities and is a member of Falls Church Forward advocacy group.
- ii) Vice Mayor Letty Hardi commented on requests for mid-block crossings at Godfrey Bakery and brought up CACT to potentially advocate for a fare-free student program for public transit in the City.

### 5) Greening of Lincoln Presentation

- a) Anthony Dudley presented on the initial concept plans and background on the Greening of Lincoln project.
- b) Comments included concerns on eliminating on-street parking, expanding links of bike lanes to the W&OD and on Lincoln Ave to the city line, restrictions of bus turning radius, and possibility of additional traffic calming measures.
- c) Request for an in-person walking tour prior to the virtual December CACT meeting.

### 6) DPW Update

The City of Falls Church is committed to the letter and spirit of the Americans with Disabilities Act. To request a reasonable accommodation for any type of disability, call 703-248-5297 TTY711.

- a) Zak Bradley presented changes in PROWAG (Public Right of Way Accessibility Guidelines). Paving a street that has brick crosswalks on it has to bring the intersection into compliance, which is more than the budget for the entire paving program.
  - i) If you modify one sidewalk ramp, you have to bring the receiving ramp into compliance.
- b) Tara Hoff presented the City Paving Plans Memo and discussed the 20 MPH Awareness Campaign. The new 20 MPH signs are to be installed by mid to late November.
- c) Zak Bradley and Tara Hoff presented the mark-up of bike facilities for Park Avenue.
  - i) CACT members noted

**7) NTC Monthly Update**

- a) Staff presentation of recent progress with NTC cases. Next steps for Staff include reviewing placement of speed humps on E Columbia Street, attending the Winter Hill HOA meeting for Gundry Drive and Annandale Road, data collection for S West Street, along with other various reviews of traffic calming measures. Fowler Street & N Roosevelt Street added to NTC queue.

**8) Greenway Downs 60% Plans**

- a) Staff to send out notification of the 60% plans letter to residents by the following week prior to the consultant painting on curb extensions.

**9) Committee Member Roundtable**

- a) Vote on Quinn/Homestretch Development Comment Letter
  - i) CACT members discussed changes and most important comments.
  - ii) Passed 4-0 in favor of revision to add the most important comments. Letter to be sent out when comments are due on October 13, 2023.
